

LOWER YOUR VACCINE COSTS!

As the country's leading physician vaccine buying group, Atlantic is helping 10,000 physicians nationwide more efficiently and effectively immunize their patients – and there is no cost to join!

As the leading vaccine buying group serving Family Physicians, Atlantic also offers your practice:

- Most favorable vaccine pricing, purchasing and payment terms for Sanofi and Merck vaccines
- Recently introduced Medicare Part D immunization program
- Reimbursement support and advocacy
- Medical supply discounts
- Most favorable pricing for flu vaccines including Sanofi's Fluzone and MedImmune's Flumist
- Lower office supply prices through our Staples Advantage Program
- Participation in the WellConnect Patient Recall Program at a lower cost

Our dedicated staff offers unparalleled customer service, support and assistance and is available to assist member practices in all vaccine related areas, including administrative, financial, and clinical.
