

PROVIDER EDUCATION WEBINAR
REGISTRATION FORM

**Integrating IHC and YHP Quality Assurance Tools into
Graduate Medical Education Programs**

Co-presented by Illinois Health Connect and Your Healthcare Plus

Wednesday, April 8, 2009

8:30am to 10:00am

This webinar is targeted to faculty physicians, residents, and administrative and clinical staff of residency programs who provide care for HFS (Medicaid) clients. The webinar will provide a broad overview of the HFS Primary Care Case Management program, Illinois Health Connect, and the HFS Disease Management Program, Your Healthcare Plus. The medical directors for these programs, Drs. Kirkegaard and Leary, will review the quality assurance tools that are available through the programs to assist in the clinical management of this patient population. They will also review how these quality assurance tools can be integrated into GME curricula to achieve the ACGME/AOA core competencies especially Systems-Based Practice and Practice-Based Learning.

To attend this Webinar, please complete the registration form and be sure to include your email address along with the other details below. Once we have received your registration form, we will email you further details, (i.e. WebEx download instructions, WebEx link, conference phone number, password, etc.) about how to participate in the Provider Educational Meeting/Webinar. This information is sent to all participants one week prior to the Webinar.

First Name _____ **Last Name** _____

Name of Provider/Site _____

E-mail Address _____

Phone Number _____ **Ext.** _____

Fax Number _____

Would you like to receive notices for future Provider Educational Meetings Yes _____ No _____

Topic Suggestions for Future Meetings:

In order to participate in these interactive meetings, you must first set-up Webex Meeting Manager on your computer. It is strongly recommended that you set up WebEx at least 24hrs prior to the meeting date. The minimum Window requirements for full utilization of WebEx are Windows 98 or higher, along with High-Speed Internet connection. It is also recommended that you connect and log-in to the meeting at least 20 minutes prior to the start of meeting to allow enough time to resolve any technical difficulties that you might experience while connecting to WebEx.

Notice: Starting November 19, 2008, IHC will begin recording the audio for all Webinar presentations. The webinar audio, as well as the presentation, may be posted on the Illinois Health Connect website (www.illinoishealthconnect.com) under the provider education tab. All materials are intended for the sole educational purposes of Illinois Health Connect Primary Care Physicians and all other interested parties.
