Tar Wars Night with the White Sox is big hit with IAFP

Thanks to the 200 friends and fans of family medicine who gathered for the 5th annual Tar Wars Night with the White Sox on July 8th. We sat through some sprinkles for the first few innings on a cool July night. But the Sox came through with a thrilling 5-1 victory over the Cleveland Indians and the Sox capped the night off with a fantastic fireworks display! Special thanks to the following three IAFP members who brought in the most fans: Ravi Shah, MD; Patrick Tranmer, MD and Deborah Midgely, MD. **The event raised over \$2,200 for the Illinois Tar Wars Program.**
