Why You Should Advertise

Family medicine decision-makers respect the journal and consider it a credible and reliable source of information from fellow family physicians. It is a resource for products and services pertinent to their practice and efficient office operation. Advertising in the journal accurately targets the decision-makers you seek and reflects your support of the professional association. Over 72% of the state's family physicians belong to the association. This journal is absolutely the best vehicle to reach them all. Your presence in **The Illinois Family Physician** stands out and distinguishes your leadership.
