Illinois Academy of Family Physicians Virtual 2020 Annual Meeting Wednesday, October 14th 2020 and beyond!

[Annual Meeting](#) [Exhibitor Prospectus](#)

The Illinois Academy of Family Physicians recognizes that family physicians are on the front lines of COVID-19. After much careful consideration regarding large gatherings and everyone's safety and health, we are pleased to offer a virtual IAFP Annual Meeting.

The IAFP Annual Meeting Event date is October 14, 2020 Your exposure and outreach will extend through the end of 2020.

Change is inevitable, and some changes require adaptation in order to continue to receive and

improve the value of what we invest. IAFP is redefining what a successful virtual exhibit floor can offer and how companies can meet the distinctive needs of current marketing demands and introduce new products and services to their customers.

The Annual Meeting Virtual Exhibit Hall will remain available online, be active and accessible to all 5200+ Illinois Academy of Family Physicians members through the end of 2020, heightening the value of your investment with greater access for longer duration than ever before.

Comprehensive, consistent promotion of supporters will occur throughout the entire IAFP Annual Meeting day, October 14th. Supporter/Exhibitor acknowledgement will be made before, during and after the Annual Meeting.
