of Slots in Match: 8 Military and 6 Civilian Fellowships offered:

Civilian and military residents enter a demographically diverse and clinically robust training program, serving a mix of high-needs/low-resources urban, suburban, and rural underserved patients, as well as active duty and their dependents. Residents treat high-acuity and high-volume inpatient medicine and obstetrics in a single-residency setting, while having the

opportunity to receive procedural training in acupuncture, Botox, OMT, vasectomy, colonoscopy, and more!
