

## Family Medicine Midwest Residency Fair

Join us at the 8th annual Family Medicine Midwest regional conference November 8-10 at Northern Illinois University Naperville Conference Center. We are working to attract medical students from 12 Midwestern states spanning from the Dakotas and Nebraska, to Michigan and Kentucky. Each exhibit booth includes one free conference registration. *Note: two programs may share one exhibit space, which can help keep your total costs low.*

Our residency fair will be on Saturday, November 9 from 3-5 p.m. You can also choose to include a procedure demonstration with your booth, which will give you a larger booth for your exhibit!

- 3:00-5:00 residency fair is open to all attendees
- All booths must be cleared and removed from the exhibit hall by 6pm.
